"The Nutcracker"

Students of Stroia Dance Studios perform their annual holiday show.

Mysterious Herr Drosselmeyer gifts a magical Nutcracker toy to his goddaughter, Clara Stahlbaum. As the clock strikes midnight, the Nutcracker comes to life and battles the Queen Mouse and her evil band of mice. Clara and the Nutcracker travel to the Land of Sweets, where the Queen Mouse is defeated and all the land celebrates with beautiful dancing, culminating with the performance of the iconic Sugar Plum Fairy.
